**Re: QR National Office Refurbishment**

I would like to take this opportunity to personally thank you and your team for the fantastic efforts made in the successful completion of the QR National project.

It is a pleasure to work with professional subcontractors who operate with integrity. In our business we take pride in completing projects on time and to the highest possible quality and your commitment to the project ensured this was no exception. Please express our appreciation to the whole of your team who worked on this project.

As we move forward from this project, and Buildcorp Interiors Queensland continues to go from strength to strength, your excellent performance will not be forgotten and you can be sure that we will continue to look for ways to continue our relationship well into the future.

If I can assist you in anything further at this time please do not hesitate to contact me.

Best regards,
