Queensland UNITAB Gets A Facelift With Solar Gard Sterling 20 Window Film

Solar Gard Sterling 20 window film was installed on the UNITAB (United Totaliser Agency Board) Head Office in sunny Queensland.

UNITAB is the Head Office for the TAB (Totaliser Agency Board) in Australia.

The Project Co-ordinator (Building Manager) turned to Cooltone Sun Control (Albion, Queensland) who provided a solution to the problem.

A Demand Analyzer Report based upon information supplied indicated a payback period of approximately 2 years.
